

THAILAND TIPPING POLICY

Tip when you are pleased with the service received, and do not tip if you don't feel you have been given good service. Never feel obliged to tip - it is always discretionary and although often never expected in Asia, tipping is most welcome by people in the service industries. The following is just a guide to gauge an appropriate amount to tip and not all inclusive:

Service	Thailand
Guide	
FIT 1-2 pax	THB 100 /pax/day
FIT 3-6 pax	THB 400-500 /group/day
